## 2016 Newsletter #4

Dear Mighty Knights,

The long awaited break is over as we are about to embark on the 2016 football season. Registrations have again been strong as we close in on 700 registered boys and girls across 32 teams.

Welcome to those that are about to wear The Mighty Knights jumper for the first time and trust that you will have many years with the club. For those returning, welcome back we hope you have another enjoyable year meeting new friends and more importantly having lots of fun.

In this newsletter there are important details about where you will be training Friday nights, Team Selection.

Once the teams are finalized and our season starts you will receive further information from your Team Manager. It is still advised that you read the newsletters and check the website for any updates.

### Team Selection

With regard to team selection, for our teams from U8 to U12, our basic principle is that players (and their parents) get an opportunity to meet and make new friends in the local community. In that regard, we are a community not school based Club - players will be grouped with some other children from their school but not all. We ask that you please bear that in mind when your child is informed of the team they have been selected in.

At the Knights, our guiding philosophy is that playing football with us should be fun and following from this, we also want our parents to have fun and there is no better place to do that than at "Friday Knights" from 5-00pm at Dunlop Pavilion, a great place to celebrate the end of the week. We will continue to have a great range of food and wine, and look forward to seeing you there.

On behalf of EMJFC I wish all players and all our many volunteers the very best for the 2016 season. Work hard, listen to your coaches and have lots of fun.

Steve Foulds
