SEASON 2018

Dear Mighty Knights,

Just when we thought winter was over, it returned with a vengeance for the semi-finals on Sunday. I congratulate all players who showed much resilience and determination, despite the antarctic conditions, to contest in finals for our club.

Following the weekend matches, we have nine teams confirmed for grand finals which is an outstanding result. Four teams will also play preliminary finals this weekend and we wish them good luck as they compete for the grand final.

Go Knights!

SOCIALLY RESPONSIBLE

At the Knights, we're passionate about our footy and in this digital age, we know that kids and parents both want to share their stories on social media. It's important to keep perspective that we are a junior football club, to remain respectful at all times and to remember that it is about the kids.

We'd like to take this opportunity to remind all parents and players of the EMJFC Social Media Policy:

- The use of social media is becoming increasingly commonplace in the community. As a result, the phenomenon of "cyberbullying" is becoming increasingly prevalent.
- For the purposes of this Policy:
 - "Cyberbullying" includes harassing, threatening, intimidating, teasing, racially vilifying, ridiculing, publishing embarrassing or sexually explicit images or otherwise insulting a person by use of electronic media;
 - "Member/s" includes EMJFC Members.
 - "Electronic media" includes email, text (SMS) messaging, Twitter, Facebook, Google+ and postings on any social networking sites;
- All EMJFC members, club officials, registered players, umpires, employees and officials must not engage in any form of cyberbullying directed towards another EMJFC member, club official, registered player, umpire, employee, official or supporter.
- All EMJFC members, club officials, registered players, umpires, employees and officials must not engage in any form of cyberbullying directed towards another EMJFC member, club official, registered player, umpire, employee, official or supporter.

- Where an instance of cyberbullying originates from electronic media, the holder of that account shall be deemed to be in breach of this Policy.
- Any allegation of a breach of this Policy shall be investigated by the EMJFC Club Secretary and, in the event that there is evidence that cyberbullying has occurred, the matter shall be dealt with in accordance with the EMJFC Executive Committee.
- Where a charge of cyberbullying is sustained by the EMJFC Executive Committee, the Committee may impose such penalty as it deems fit in the circumstances, including suspension or fine.
