News from our teams

Under 17

The 'God of Wind' (whoever that is...) had a laugh at the Under 17 team last Sunday!

The boys *achieved* (wrong word, we know), 9 behinds in the first quarter, 2 in the 2nd, 12 in the 3rd and 4 in the 4th – for a total of 27 behinds!

If not for the 7 goals streak in the final quarter – and against the wind – it would have been more embarrassing. (New to the club, Josh Willmott at full-forward was outstanding).

The U17 boys have the opportunity to vote in their Leadership Group for the season.

Once the votes were tallied, the results were;

Captain – Jackson Ward

Vice-Captain – Charlie Ingham

Deputies – Tom Andriske & Harry Mulcahy

Go Knights!

U8 Green

The boys continue to improve every week, hand balling to each other when under pressure or having a team mate in a better position, hand balling has become contagious!

The boys are also kicking to players in better positions rather than kicking to packs.

More goals are being kicked as a result.

The Greens are thriving on new training drills, kicking tips and devouring plenty of snakes and oranges every week.

Almost every team member has kicked a goal and the team remains undefeated

after round 6.

The weekly awards provided by our sponsors are a greatly anticipated event after training on Friday nights.

Every family has contributed at least twice to game day responsibilities which makes the day go very smoothly. We've found a lot of time is saved by having the boys sign the team sheets on Friday nights.

Player and spectator behaviour code

A reminder to all parents and players that we value the values of great sportsmanship above all things. We try to impart a standard of excellence to all our young people wearing a Knights jumper.

As we approach the mid-way point for season 2016 this weekend, we implore everyone to reflect on what your role is within your club and the responsibilities you have, be it as a supporter, match day official, coach or team manager.

Remembering after all, that we are all collectively trying to continue to foster a safe, positive, family friendly atmosphere for our players to participate in.

If you observe offensive behaviour towards our players and umpires or other club officials and supporters be bold enough to either remind the person to think about their actions and stop it or report to your team manager or club committee.

If you are reported or subject to an investigation that goes to a tribunal hearing and found guilty of a breach of our by-laws, be assured that the SMJFL will apply a zero tolerance and first strike policy and will impose penalties accordingly.

We all have a responsibility to act as role models for players and umpires.

Player numbers during school holiday period

Please think about informing your Team Manager if you will be unavailable to play during the upcoming winter school break. This period is always difficult for our volunteer coaches and managers to ensure we have competitive numbers in order to fulfil our team quota.
